The purpose of the public hearing by the City Council to approve the proposed General Plan Amendment and Zone Change as noted above. The R-3-PD zone is a residential zone that allows only high density residential development that provides for affordable housing. The land area must be developed of not less than 20 units per acre would yield 143 units. The R-4-PD zone is a residential zone that allows only high density residential development. The land area must be developed of not less than 24 units per acre. Potential development of the 6.01 acres would yield 144 housing units that would be considered affordable housing. The R-2-PD zone is a residential zone that allows for both single family residential development as well as duplexes. The minimum lot size in this zone is 6,000 square feet, and the minimum lot area per dwelling (for duplexes) is 3,000 square feet. Potential development of 405 residential units within the R-2-PD designated lands. The C-2-PD General Commercial- Planned Development allows a variety of commercial activities that will provide needed services. The City has established an implementation program which establishes a no net loss of affordable housing sites. Some sites identified in the 2017 Housing Element are either committed via a vesting tentative map or limitations due to location of oil and gas extraction activity. The proposed designation for R-3-

PD Limited Multiple Family of 7.15 Acres; and R-4-PD for 6.01 Acres insures that the No Net Loss policy is implemented and no oil and gas wells were identified to exist in this area.

Staff has performed an environmental assessment of this project and has determined that the

project qualifies for a Mitigated Negative Declaration. Mitigation Measures are identified in the Initial Study and are to be implemented upon project development. After the imposition of mitigation measures, impacts from the project will be less than significant.

Any person wishing to address the City Council may provide oral and/or written testimony at the meeting, or submit written comments to the Community

Development Department at the above said address.

Additional information on the proposed project, including copies in hard copy or electronic format, may be obtained from the City of Arvin, City Hall, 200 Campus Drive, Arvin, California, 93203, or the City's web site at [www.arvin.org](http://www.arvin.org). All persons interested in this topic who have questions, would like to provide feedback, or ask questions are invited to attend. Written comments may be submitted to the City Clerk's office until 4:00 p.m. on the hearing date. If you challenge the approval or denial of these matters in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City Clerk, at or prior to the public hearing (Government Code Section 65009).
