RESOLUTION

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ARVIN, CALIFORNIA, RE-AFFIRMING THE REGULATIONS ESTABLISHING THE PROCEDURES FOR HANDLING REQUESTS FOR INSPECTION AND/OR COPYING OF PUBLIC RECORDS.

WHEREAS, the City of Arvin (the “City”) is subject to the California Public Records Act, as set forth in the California Government Code sections 6250 - 6276.48; and

WHEREAS, the Public Records Act was enacted nearly fifty (50) years ago; and

WHEREAS, it has been more than a decade since the City established and re-affirmed its regulations stating the procedures for handling requests for inspection and/or copying of public records; and

WHEREAS, the City has adopted these procedures to ensure members of the public have access to public records concerning the conduct of the City’s business; and

WHEREAS, it is the policy of the City that public records will be disclosed upon request, unless state or federal law provides an exemption from disclosure; and

WHEREAS, this resolution re-affirms the City’s established procedures for handing requests for inspection and/or copying of public records; and

WHEREAS, the Public Records Act allows the City to adopt regulations stating the procedures to be followed when making its records available for inspection and/or copying; and

WHEREAS, the City’s procedures were and are established in accordance with Government Code section 6253.4, subdivision (a), which states: “[e]very agency may adopt regulations stating the procedures to be followed when making its records available in accordance with this section.”; and

WHEREAS, the City’s procedures were and are designed to be in compliance with the Public Records Act and all existing laws pertaining to the disclosure of public records; and

WHEREAS, if any provision of the procedures conflict with state or federal law, the law shall take precedence; and

WHEREAS, in accordance with Government Code section 6253.4, subdivision (a), the City desires to re-affirm its regulations establishing the procedures to be followed when making City records available for inspection and/or copying.
NOW, THEREFORE, the City Council of the City of Arvin, hereby does resolve as follows:

SECTION 1. The recitals set forth above are incorporated herein as findings by the City Council.

SECTION 2. The City Council of the City of Arvin hereby approves and re-affirms the following regulations establishing the procedures for handling Public Records Act requests for inspection and/or copying of City records:

a. The City Clerk of the City of Arvin is hereby designated the Custodian of Records for all City records.

b. Given the complex legal requirements and exemptions contained within the California Public Records Act and state and federal law, all Public Records Act requests shall be submitted to the City Clerk for processing, whether the request is verbal or in writing.

c. The City Clerk shall provide copies of the Public Records Act request(s) to the relevant City department(s) which may maintain records responsive to the request(s).

d. The City department(s) shall provide all responsive City records to the City Clerk for processing. City departments may create internal policies and/or procedures for their handling of Public Records Act requests; however, these policies and/or procedures shall neither supersede nor conflict with the regulations stating the procedures for handling Public Records Act requests as established by the City. Any policy and/or procedure created by a City department which conflicts with the regulations stating the procedures for handling Public Records Act requests as established by the City shall be disregarded.

e. The City Clerk and/or City Attorney’s Office shall determine what, if any, exemptions from disclosure may apply to the responsive City records or portions thereof.

f. All potentially confidential City records, including but not limited to employment records, law enforcement records, financial records, and medical records, shall be provided to the City Attorney’s Office for processing. The City Attorney’s Office shall determine what, if any, exemptions from disclosure may apply to the responsive confidential City records. The City Attorney’s Office shall withhold any City record which is exempt from disclosure or redact any portion of a City record which is exempt from disclosure.
The City Clerk and/or City Attorney’s Office shall respond to the Public Records Act requestor regarding extensions, inspections, clarifications, invoices, payments and/or production of responsive City records.

Given the City’s limited staffing and resources, the City Clerk shall schedule a mutually agreeable date and time for all Public Records Act requests which seek to inspect City Records. The mutually agreeable date and time for inspection shall allow for the City Clerk and/or City Attorney’s Office to determine what, if any, exemptions from disclosure may apply to the City records. Inspection of City records shall only be conducted during the normal business hours of the City.

SECTION 3. The City may charge the following copying fees for all Public Records Act requests:

a. Copy price per page for standard letter size: $0.15
b. Copy price per page for legal size: $0.15
c. Copy charges for oversized records: actual cost for third-party duplication.
d. Price for City records in electronic format shall be calculated in accordance with Government Code section 6253.9, as it may be amended from time to time.
e. Copy charge for duplication of a CD or DVD: $5.00 per CD or DVD
g. Payment is required prior to delivery of any requested City records.

SECTION 4. The City Council of the City of Arvin authorizes the City Manager, or his/her designee, to implement these regulations stating the procedures for handling Public Records Act request for inspection and/or copying of City records and to amend the procedures from time to time in compliance with any changes in state and federal law or regulations which may affect disclosure of City records.

SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ARVIN REQUESTING
AND AUTHORIZING AN APPLICATION FOR, AND THE INITIATION OF, A SPHERE
OF INFLUENCE AMENDMENT AND APPROVING A PROFESSIONAL SERVICES
AGREEMENT WITH PROVOST AND PRITCHARD CONSULTING GROUP.

RECOMMENDATION:

Resolution Requesting and Authorizing an Application for, and the Initiation of, a Sphere of
Influence Amendment and Affirming and Approving a Professional Services Agreement with
Provost and Pritchard.

BACKGROUND:

The City of Arvin City Manager met with representatives of Kern County LAFCo to discuss the
previous Sphere of Influence and Municipal Services Review. This discussion concluded that
the previously prepared proposed SOI would not meet the criteria and policies of Kern County
LAFCo. In addition, the City of Arvin and areas of Kern County have been designated as
Opportunity Zones. The two census tracts 63.03 and 63.04, with the designation of Opportunity
Zones which allow private investors to receive reductions in capital gains taxes. By
incorporation these areas within the proposed City’s Sphere of Influence (SOI), the City may
entice new development. The proposed SOI would also include the Disadvantaged
Unincorporated Community known as the Edmondson Tract located north of the City. The
attached map, Exhibit A, illustrates the proposed areas to be established as the City’s SOI. The
SOI is the first step required to expand the City boundaries in the future. The increase will
provide further opportunity for economic development and private investment including new
commercial and residential development.
As part of this process, the City had previously applied and submitted the SOI and MSR to the Local Agency Formation Commission (LAFCO) - Kern County requesting the update and modification of the City’s SOI. Staff telephone discussions and meetings with LAFCo representatives has necessitated the update and modification SOI and MSR. LAFCO’s SOI application requirements include a resolution from the City Council supporting the application, approving the SOI amendment and a Municipal Service Review (MSR). The proposed Professional Services Agreement between the City of Arvin and Provost and Pritchard will update and modify the previous SOI and MSR prepared by Provost and Pritchard, Exhibit B. This agreement will cause an update and amendment of the previous study which will study, analyze and evaluate the city’s capacity to provide municipal services as it increases in size and efficiencies of service providers, as well as identify opportunities for greater coordination and cooperation between providers. A LAFCO approved application will eventually lead to a General Plan Update priming the City for future development and annexation of the SOI.

**FINANCIAL IMPACT:**

Professional Services Agreement is $22,000.00 to update the SOI and MSR. There is no financial cost associated with adopting the Sphere of Influence (SOI) Amendment.

City of Arvin has been given a glowing, if possibly underreported, opportunity. Two census tracts, 63.03 and 63.04 have been specially designated by the federal government, which allows private investors to receive reductions in capital gains taxes. Opportunity Zone is bounded by Hwy 223 (Bear Mountain Blvd to the north, Sycamore Road to the South, Tower Line Road on the east, and Malaga Road on the West.)
IRS Releases Opportunity Fund Certification Update

4.25.2018

Yesterday, the IRS provided new clarity on the process for obtaining Opportunity Fund certification:

To become a Qualified Opportunity Fund, an eligible taxpayer self certifies. (Thus, no approval or action by the IRS is required.) To self-certify, a taxpayer merely completes a form (which will be released in the summer of 2018) and attaches that form to the taxpayer’s federal income tax return for the taxable year. (The return must be filed timely, taking extensions into account.)

City of Arvin has been given a glowing, if possibly underreported, opportunity. Two census tracts, 63.03 and 63.04, has been specially designated by the federal government, which allows private investors to receive reductions in capital gains taxes.

Geographic inequality is a hot term these days. I’ve heard it referenced everywhere lately. And it’s a real thing, too. Research shows that residential sorting by income has significantly increased over the past 45 years. This sorting has resulted in more Americans living in communities that represent the poles of the income distribution rather than the middle.

The federal Tax Cuts and Jobs Act of 2017 created an economic development tool known as “opportunity zones”. The program is designed to encourage long-term investments in low-income areas. The goal is to get capital to these struggling census tracts. The program gives patient investors and developers significant tax incentives in exchange for long-term investment in distressed or low-income areas.

This opportunity zone program has the potential to be the largest community investment program in the country, by tapping into trillions of dollars in capital gains held by private investors to create a new source of economic growth for hundreds of lower-income communities around the country.

This is exactly the type of incentive needed to spur investment in the revitalizing urban core of our own city. When the State of California ended Redevelopment in 2012, our city lost the tax increment financing that enabled investment opportunities for the City of Arvin. Urban revitalization in California now relies solely on the private sector. The time has come for the federal government to help incentivize private investment in distressed areas throughout the country.
Under the program, investors in opportunity zones (via a fund or direct investment in real estate or companies located there) get temporary deferral of accumulated capital gains, up to a 15 percent basis step-up on capital gains invested, and the big windfall — a capital gains bill of zero on new gains for investments held 10 years. Under this scheme, taxpayers have the option to defer tax on a capital gain by investing the gain in an Opportunity Zone Fund. The Opportunity Zone Fund is a fund set up as either a corporation or partnership to invest in eligible property located in an opportunity zone.

Taxpayers who invest in an Opportunity Zone Fund do not need to live or work in the qualifying zone in order to invest in the funds. The idea of the program is that it will incentivize investment in communities that have had trouble attracting investment, thereby spurring economic growth.

TESTIMONY BEFORE THE JOINT ECONOMIC COMMITTEE OF THE UNITED STATES CONGRESS - JOHN W. LETTIERI, CO-FOUNDER AND PRESIDENT, ECONOMIC INNOVATION GROUP
The Promise of Opportunity Zones” May 17, 2018

Introduction
Chairman Paulsen, Ranking Member Heinrich, and members of the committee: it is a pleasure to be with you today.

I am the Co-founder and President of the Economic Innovation Group (EIG), a bipartisan research and advocacy organization. EIG helped to design and champion the Investing in Opportunity Act, legislation authored by Senators Tim Scott (R-SC) and Cory Booker (D-NJ) and Representatives Pat Tiberi (R-OH) and Ron Kind (D-WI). This legislation, which enjoyed broad bipartisan support, was the basis for the Opportunity Zones provision in the Tax Cuts and Jobs Act (TCJA) of 2017.

Key features of the Opportunity Zones incentive
The fundamental purpose of Opportunity Zones is to encourage long-term equity investments in struggling communities. In pursuing this goal, Congress established an incentive framework flexible enough to support a broad array of investments and encourage creative local implementation strategies. The unique structure — and equity focus — of this incentive has the potential to unlock an entirely new category of investors and create an important new asset class of investments. Congress designed Opportunity Zones to complement existing community development programs while incorporating lessons learned from previous place-based efforts. I want to draw particular attention to two of its most important distinguishing features:
• First, it is a highly flexible incentive that can be used to fund an array of equity investments in a variety of different sectors. This is critical, because low-income communities have a wide range of needs, and Opportunity Zones at their best will recruit investments in a variety of mutually enforcing enterprises that together improve the equilibrium of the local community. The structural flexibility extends to Opportunity Funds, the intermediaries that raise and deploy capital into Opportunity Zones. These funds can be nimble in responding to market interest and opportunity, thereby widening the aperture of investors who can participate. And, because Opportunity Funds do not need pre-approval for transactions, the cost, complexity, and time needed to deploy capital should be lower than in other programs.

• Second, the incentive is nationally scalable. There is no fixed cap on the amount on capital that can be channeled to target communities via Opportunity Funds, nor is there a limit on the number of Opportunity Zones that can receive investments in any given year. This scalability derives from the fact that investors are incented to reinvest their own capital gains without any up-front subsidy or allocation. EIG’s analysis of Federal Reserve data found an estimated $6.1 trillion dollars in unrealized capital gains held by U.S. households and corporations as of the end of 2017. Even a small fraction of these gains reinvested into Opportunity Zones would make it the largest economic development initiative in the country.

Flexibility and scalability are essential ingredients because they unlock the vast creativity and problem-solving potential of communities and the marketplace in ways that would not be possible under a more prescriptive policy framework. Congress and the Administration should do everything possible to preserve and enhance these features as implementation moves forward in the months ahead, including through technical statutory refinements that will help ensure strong uptake among a broad spectrum of investors.
CITY OF ARVIN
PROFESSIONAL SERVICES AGREEMENT FOR
REVISING MUNICIPAL SERVICES AGREEMENT, ASSISTING WITH
SPHERE OF INFLUENCE AMENDMENT AND ZONE TEXT AMENDMENT

THIS PROFESSIONAL SERVICES AGREEMENT (herein “Agreement”) is made and entered into this 18th day of September 2018, by and between the CITY OF ARVIN, a California municipal corporation herein (“City”) and PROVOST & PRITCHARD CONSULTING GROUP (herein “Consultant”).

WHEREAS, The City is seeking to expand services previously conducted by Consultant including revisions to its proposed Sphere of Influence (SOI) to include designated Opportunity Zones (Census tracks 63.03 and 63.04) and the Edmundson Acres Tract, a disadvantaged community.

WHEREAS, the City is also seeking a consultant to assist in identifying strategies for the inclusion of lands designated and under Williamson Act Contracts (WACs) and to recommend Zoning Code Amendments to manage WACs within the City limits.

WHEREAS, Consultant understands that the revisions to the Municipal Service Review (MSR) need to include information related to the recent updates to the City’s General Plan, Housing Element, and Fee Schedule and adoption of several significant code amendments such as a Cannabis Ordinance and Oil and Gas Ordinance.

NOW, THEREFORE, the parties hereto agree as follows:

1. SERVICES OF CONSULTANT

1.1 Scope of Services. In compliance with all of the terms and conditions of this Agreement, the Consultant shall perform the work or services set forth in the “Scope of Services” attached hereto as Exhibit “A” and incorporated herein by reference. Consultant warrants that it has the experience and ability to perform all work and services required hereunder and that it shall diligently perform such work and services in a professional and satisfactory manner.

1.2 Compliance With Law. All work and services rendered hereunder shall be provided in accordance with all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental agency of competent jurisdiction.

1.3 Licenses, Permits, Fees and Assessments. Consultant shall obtain at its sole cost and expense such licenses, permits, and approvals as may be required by law for the performance of the services required by the Agreement.

1.4 Special Requirements. Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the “Special Requirements” attached hereto as Exhibit “B” and incorporated herein by this reference. In the event of a
conflict between the provisions of Exhibit “B” and any other provisions of this Agreement, the provisions of Exhibit “B” shall govern.

2. COMPENSATION

2.1 Contract Sum. Subject to any limitations set forth in this Agreement, City agrees to pay consultant in the amounts specified in the “Schedule of Compensation” attached hereto as Exhibit “C” and incorporated herein by this reference, but not exceeding the maximum contract amount of Twenty Two Thousand Dollars ($22,000) (“Contract Sum”), unless additional compensation is approved pursuant to Section 2.3.

2.2 Invoices. Each month Consultant shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City’s Director of Finance. By submitting an invoice for payment under this Agreement, Consultant is certifying compliance with all provisions of the Agreement. The invoice shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-contractor contracts. Sub-contractor charges shall also be detailed by such categories. Consultant shall not invoice City for any duplicate services performed by more than one person.

City shall independently review each invoice submitted by the Consultant to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by City, City will use its best efforts to cause Consultant to be paid subject to the Schedule of Compensation within thirty (30) days of receipt of Consultant’s correct and undisputed invoice; however, Consultant acknowledges and agrees that due to City warrant run procedures, the City cannot guarantee that payment will occur within this time period. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Consultant for correction and resubmission. Review and payment by the City of any invoice provided by the Consultant shall not constitute a waiver of any rights or remedies provided herein or any applicable law.

2.3 Additional Services. City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Consultant, incorporating therein any adjustment in (i) the Contract Sum for the actual cost of the extra work, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Consultant. Any increase in compensation of up to ten percent (10%) of the Contract Sum but not exceeding a total contract amount of Five Thousand Dollars ($5,000) or in the time to perform of up to ninety (90) days may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively must be approved by the City Council. No claim for an increase in the Contract Sum or time for performance shall be valid unless the procedures established in this Section are followed.

2.4 Further Responsibilities of the Parties. Both parties agree to use reasonable care and diligence to perform their respective obligations under this Agreement, and to act in good faith to execute all instruments, prepare all documents, and take all actions as may
be reasonably necessary to carry out the purposes of this Agreement. No party shall be responsible for the service of the other unless specified herein.

3. PERFORMANCE SCHEDULE

3.1 Time of Essence. Time is of the essence in the performance of this Agreement.

3.2 Schedule of Performance. Consultant shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all services within the time period(s) established in the “Schedule of Performance” attached hereto as Exhibit “D” and incorporated herein by this reference. When requested by the Consultant, extensions to the time period(s) specified in the Schedule of Performance may be approved in writing by the Contract Officer but not exceeding thirty (30) days cumulatively.

3.3 Force Majeure. The time period(s) specified in the Schedule of Performance for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Consultant, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including the City, if the Consultant shall within ten (10) days of the commencement of such delay notify the Contract Officer in writing of the causes of the delay. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is justified. The Contract Officer’s determination shall be final and conclusive upon the parties to this Agreement. In no event shall Consultant be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Consultant’s sole remedy being extension of the Agreement pursuant to this Section.

3.4 Term. Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services but not exceeding one (1) year from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit “D”).

The policy of insurance shall be in an amount not less than $1,000,000.00 per occurrence or if a general aggregate limit is used, either the general aggregate limit shall apply separately to this contract/location, or the general aggregate limit shall be twice the occurrence limit.

(b) **Worker’s Compensation Insurance.** A policy of worker’s compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Consultant against any loss, claim or damage arising from any injuries or occupational diseases occurring to any worker employed by or any persons retained by the Consultant in the course of carrying out the work or services contemplated in this Agreement.

Said policy shall include coverage for owned, non-owned, leased and hired cars.

(d) **Professional Liability.** Professional liability insurance appropriate to the Consultant’s profession. This coverage may be written on a “claims made” basis, and must include coverage for contractual liability. The professional liability insurance required by this
Agreement must be endorsed to be applicable to claims based upon, arising out of or related to services performed under this Agreement. The insurance must be maintained for at least 5 consecutive years following the completion of Consultant’s services or the termination of this Agreement. During this additional 5-year period, Consultant shall annually and upon request of the City submit written evidence of this continuous coverage.

(e) **Additional Insurance.** Policies of such other insurance, as may be required in the Special Requirements in Exhibit “B”.

(f) **Subcontractors.** Consultant shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

Except professional liability insurance, all of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents shall apply in excess of, and not contribute with Consultant’s insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. The insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention. All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing ten (10) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Consultant shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 5.1 to the Contract Officer. No work or services under this Agreement shall commence until the Consultant has provided the City with Certificates of Insurance or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. At the option of City, either the insurer shall reduce or eliminate any deductibles or self-insured retentions as respect to City.

The insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated “A” or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the City’s Risk Manager or other designee of the City due to unique circumstances.

5.2 **Indemnification.** To the full extent provided by law, Consultant agrees to indemnify, defend and hold harmless the City, its officers, employees and agents against, any and all actions, suits, claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities, including paying any legal costs, attorneys fees, or paying any judgment (herein “claims or liabilities”) that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work or services of Consultant, its officers, agents, employees, agents, subcontractors, or invitees, provided for

Consultant shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the "books and records"), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services and shall keep such records for a period of three years following completion of the services hereunder. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records.

6.2 Reports. Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement or as the Contract Officer shall require.

6.3 Confidentiality and Release of Information.

(a) All information gained or work product produced by Consultant in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant shall not release or disclose any such information or work product to persons or entities other than the City without prior written authorization from the Contract Officer.

(b) Consultant shall not, without prior written authorization from the Contract Officer or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Consultant gives the City notice of such court order or subpoena.

(c) If Consultant provides any information or work product in violation of this Agreement, then the City shall have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorney’s fees, caused by or incurred as a result of Consultant’s conduct.

(d) Consultant shall promptly notify the City should Consultant be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed there under. The City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with the City and to provide the City with the opportunity to review any response to discovery requests provided by Consultant.
6.4 Ownership of Documents. All studies, surveys, data, notes, computer files, reports, records, drawings, specifications, maps, designs, photographs, documents and other materials (the "documents and materials") prepared by Consultant in the performance of this Agreement shall be the property of the City and shall be delivered to the City upon request of the Contract Officer or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by the City of its full rights of ownership, use, reuse, or assignment of the documents and materials hereunder. Delivery of said documents is contingent upon the City making final payment to the Consultant. Moreover, Consultant with respect to any documents and materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for the City. Any use of such completed documents for other projects and/or use of uncompleted documents without specific written authorization by the Consultant will be at the City's sole risk and without liability to Consultant, and the City shall indemnify the Consultant for all damages resulting therefrom.

7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law. This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Kern, State of California.

7.2 Disputes; Default. In the event that Consultant is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of default. Instead, the City may give notice to Consultant of the default and the reasons for the default. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, if circumstances warrant. During the period of time that Consultant is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. If Consultant does not cure the default, the City may take necessary steps to terminate this Agreement under this Article.

7.3 Legal Action. In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party. Notwithstanding any contrary provision herein, Consultant must file a statutory claim pursuant to Government Code Sections 905 et. seq. and 910 et. seq., in order to pursue any legal action under this Agreement.

7.4 Termination Prior to Expiration of Term. This Section shall govern any termination of this Contract except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Contract at any time, with or
without cause, upon thirty (30) days’ written notice to Consultant, except that where termination is due to the fault of the Consultant, the period of notice may be such shorter time as may be determined by the Contract Officer. In addition, the Consultant reserves the right to terminate this Contract at any time, with or without cause, upon sixty (60) days’ written notice to City, except that where termination is due to the fault of the City, the period of notice may be such shorter time as the Consultant may determine. Upon receipt of any notice of termination, Consultant shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Consultant has initiated termination, the Consultant shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer. In the event the Consultant has initiated termination, the Consultant shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder, but not exceeding the compensation provided therefore in the Schedule of Compensation Exhibit “C”. In the event of termination without cause pursuant to this Section, the terminating party need not provide the non-terminating party with the opportunity to cure pursuant to Section 7.2.

7.5 Termination for Default of Consultant. If termination is due to the failure of the Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Consultant shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Consultant for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

8. MISCELLANEOUS

8.1 Covenant Against Discrimination. This Agreement shall not be construed against either Party by reason of authorship.

8.5 Severability. In the event that part of this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

8.6 Waiver. No delay or omission in the exercise of any right or remedy by non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. A party’s consent to or approval of any act by the other party requiring the party’s consent or approval shall not be deemed to waive or render unnecessary the other party’s consent to or approval of any subsequent act. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

8.7 Attorneys’ Fees. If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which any be granted, whether legal or equitable, shall be entitled to reasonable attorney’s fees, whether or not the matter proceeds to judgment.

The persons executing this Agreement on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said party, (iii) by so executing this Agreement, such party is formally bound to the provisions of this Agreement, and (iv) the entering into this Agreement does not violate any provision of any other Agreement to which said party is bound.

8.9 Conflict of Interest. Consultant covenants that neither it, nor any officer, principal or employees of its firm, has or shall acquire an any interest that would conflict in any manner with the interests of the City or which would in any way hinder Consultant’s performance of services under this Agreement.

8.10 Counterparts. This Agreement may be executed in counterparts, including by electronically transmitted signature, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.
IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the date and year first-above written.

- An existing land use map of Kern County General Plan designations and a conceptual land use map of Arvin’s General Plan designations.

Consultant will provide draft maps and exhibits to the City for review and comment.

Upon receipt of one set of consolidated and internally-consistent City review comments, Consultant will incorporate the comments into the maps and exhibits and provide the City with the final maps and exhibits. One round of review and comments is anticipated.

B. Phase MSR: Revisions to 2018 Municipal Service Review

Consultant will revise the Municipal Service Review (MSR) to include current budgetary and development information and a discussion related to Arvin’s proposed zoning code amendments and strategies for inclusion of lands designated for agricultural preservation and under Williamson Act Contracts (WAC). The MSR would also be revised to include data and discussion related to registered voters within surrounding inhabited, unincorporated areas.

Consultant will provide the draft MSR to the City for review and comment. Upon receipt of one set of consolidated and internally-consistent City review comments, Consultant
will incorporate the comments into the document and provide the City with the final MSR, with insertions, deletions, and formatting changes in strike-through and underline (i.e. Microsoft Word "Track Changes" version). One round of review and comments is anticipated.

C. Phase ZON: Preparation of Zoning Code Text Amendments

Consultant will work with the City to identify strategies for the management of lands under WAC within Arvin's SOI. Upon confirmation by the City of the preferred strategy, Consultant will prepare amendments to Title 17 (Zoning) of the Arvin Municipal Code. The text amendments are anticipated to provide standards for the preservation of agricultural lands adjacent to urban development, as well as establish regulations for Williamson Act Land Contracts in compliance with the requirements of Government Code (Section 51200, et seq.), Section G of the Kern County LAFCo, Procedures, Standards and Policies, as well as other applicable policies and procedures. Consultant also anticipates incorporating policies and procedures for determining uses that are compatible with Williamson Act contracted lands, including land under cannabis cultivation as directed by the City. Proposed text amendments would ensure consistency with adopted Cannabis Ordinance and Oil and Gas Ordinances.

Consultant will provide the draft zoning code text amendments to the City for review and comment. Upon receipt of one set of consolidated and internally-consistent City review comments, Consultant will incorporate the comments into the text amendments and provide the City with the final zoning code text amendments, with insertions, deletions, and formatting changes in strike-through and underline (i.e. Microsoft Word "Track Changes" version). Up to two (2) rounds of review and comments is anticipated.

Consultant will prepare a PowerPoint (PPT) presentation summarizing the proposed zoning code text amendments for use by City staff at one (1) Planning Commission hearing and one (1) City Council hearing. One Consultant staff member will be available to attend the City Council hearing to provide support to City staff as needed. In addition, the staff member will provide up to four (4) hours of review and assistance in the preparation of staff reports and/or resolutions adopting the zoning code text amendments via telephone or email.

II. As part of the Services, Consultant will prepare and deliver the following tangible work products to the City:

A. Phase SOI:
   a. Draft maps and exhibits for City review prior to presenting to LAFCo (electronic copy).

B. Phase MSR:
   a. Draft MSR to City for review prior to submitting to LAFCo (electronic copy).
b. Draft MSR, Maps & Exhibits to LAFCo for initial review (electronic copy) submitted to LAFCo electronically.

c. Final MSR, Maps & Exhibits to City and LAFCo.

C. Phase ZON:
   a. Draft zoning code text amendments to the City for review (electronic copy)
   b. Final zoning code text amendments (electronic copy)
   c. One (1) PPT for use at both the Arvin Planning Commission and City Council hearings.

III. In addition to the requirements of Section 6.2, during performance of the Services, Consultant will keep the City updated of the status of performance by delivering the following status reports:

   [N/a]

IV. All work product is subject to review and acceptance by the City, and must be revised by the Consultant without additional charge to the City until found satisfactory and accepted by City.

V. Consultant will utilize the following personnel to accomplish the Services:

   A. Louise Palmer, AICP
   B. Sara Allinder, AICP
   C. Jeff O'Neal, AICP

VI. The following provisions of the Agreement are revised as shown below.

   [N/a]
EXHIBIT “B”

SPECIAL REQUIREMENTS
(Superseding Contract Boilerplate)

A. This Agreement also serves as a notice to proceed under this Agreement effective September 18, 2018.

B. This Agreement is made with the following assumptions:

1. The proposed Sphere of Influence Amendment will be judged not to pose any adverse changes to the physical environment and would therefore be found exempt from CEQA review (Guidelines Section 15061(b) General Rule).

2. Consultant assumes that the adoption of the Municipal Service Review will be found exempt from CEQA review (Guidelines Section 15306, Information Collection).

3. Consultant assumes that the adoption of the Zoning Code Text Amendments will be found exempt from CEQA review (Guidelines Section 15307, Actions by Regulatory Agencies for Protection of Natural Resources).

4. The City of Arvin will be responsible for the preparation of all hearing notices, staff reports, resolutions/ordinances and CEQA notice(s) of exemption, and payment of any associated fees, if required.

5. The City of Arvin will be responsible for payment of fees or charges related to obtaining current voter registration data. These charges are anticipated to be approximately $45.

C. Consultant agrees that the revisions to the MSR need to include information related to the recent updates to the City’s General Plan, Housing Element, and Fee Schedule and adoption of several significant code amendments such as a Cannabis Ordinance and Oil and Gas Ordinance.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

It is understood and agreed as follows:

I. The WHO IS AN INSURED section is amended to add as an Insured any person or organization whom the Named Insured is required by written contract to add as an additional insured on this coverage part, including any such person or organization, if any, specifically set forth on the Schedule attachment to this endorsement. However, such person or organization is an Insured only with respect to such person or organization’s liability for:

A. unless paragraph B. below applies,
   1. bodily injury, property damage, or personal and advertising injury caused in whole or in part by the acts or omissions by or on behalf of the Named Insured and in the performance of such Named Insured’s ongoing operations as specified in such written contract; or
   2. bodily injury or property damage caused in whole or in part by your work and included in the products-completed operations hazard, and only if
      a. the written contract requires the Named Insured to provide the additional insured such coverage; and
      b. this coverage part provides such coverage.

B. bodily injury, property damage, or personal and advertising injury arising out of your work described in such written contract, but only if:
   1. this coverage part provides coverage for bodily injury or property damage included within the products-completed operations hazard; and
   2. the written contract specifically requires the Named Insured to provide additional insured coverage under the 11-85 or 10-01 edition of CG2010 or the 10-01 edition of CG2037.

II. Subject always to the terms and conditions of this policy, including the limits of insurance, the Insurer will not provide such additional insured with:

A. coverage broader than required by the written contract; or

B. a higher limit of insurance than required by the written contract.

III. The insurance granted by this endorsement to the additional insured does not apply to bodily injury, property damage, or personal and advertising injury arising out of:

A. the rendering of, or the failure to render, any professional architectural, engineering, or surveying services, including:
   1. the preparing, approving, or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
   2. supervisory, inspection, architectural or engineering activities; or

B. any premises or work for which the additional insured is specifically listed as an additional insured on another endorsement attached to this coverage part.

IV. Notwithstanding anything to the contrary in the section entitled COMMERCIAL GENERAL LIABILITY CONDITIONS, the Condition entitled Other Insurance, this insurance is excess of all other insurance available to the additional insured whether on a primary, excess, contingent or any other basis. However, if this insurance
is required by written contract to be primary and non-contributory, this insurance will be primary and non-contributory relative solely to insurance on which the additional insured is a named insured.

V. Solely with respect to the insurance granted by this endorsement, the section entitled COMMERCIAL GENERAL LIABILITY CONDITIONS is amended as follows:

The Condition entitled Duties In The Event of Occurrence, Offense, Claim or Suit is amended with the addition of the following:

Any additional insured pursuant to this endorsement will as soon as practicable:

1. give the Insurer written notice of any claim, or any occurrence or offense which may result in a claim;
2. except as provided in Paragraph IV. of this endorsement, agree to make available any other insurance the additional insured has for any loss covered under this coverage part;
3. send the Insurer copies of all legal papers received, and otherwise cooperate with the Insurer in the investigation, defense, or settlement of the claim; and
4. tender the defense and indemnity of any claim to any other insurer or self insurer whose policy or program applies to a loss that the Insurer covers under this coverage part. However, if the written contract requires this insurance to be primary and non-contributory, this paragraph (4) does not apply to insurance on which the additional insured is a named insured.

The Insurer has no duty to defend or indemnify an additional insured under this endorsement until the Insurer receives written notice of a claim from the additional insured.

VI. Solely with respect to the insurance granted by this endorsement, the section entitled DEFINITIONS is amended to add the following definition:

Written contract means a written contract or written agreement that requires the Named Insured to make a person or organization an additional insured on this coverage part, provided the contract or agreement:

A. is currently in effect or becomes effective during the term of this policy; and
B. was executed prior to:
   1. the bodily injury or property damage; or
   2. the offense that caused the personal and advertising injury
      for which the additional insured seeks coverage.

Any coverage granted by this endorsement shall apply solely to the extent permissible by law.

All other terms and conditions of the Policy remain unchanged.

This endorsement, which forms a part of and is for attachment to the Policy issued by the designated Insurers, takes effect on the effective date of said Policy at the hour stated in said Policy, unless another effective date is shown below, and expires concurrently with said Policy.

Attachment: Professional Services Agreement SOI Amendment_Provost and Pritchard (Sphere of Influence Amendment and PSA with Provost)
TO: City Council
FROM: Jake Raper, City Planner
       Jerry Breckinridge, Interim City Manager
SUBJECT: A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ARVIN INITIATING GENERAL PLAN AMENDMENT FROM LOW DENSITY RESIDENTIAL TO GENERAL COMMERCIAL AND ZONE CHANGE FROM R-1 SINGLE FAMILY DWELLING TO C-1 LIMITED COMMERCIAL ZONE FOR 240 LANGFORD AVE.

RECOMMENDATION:

1. Adopt the Resolution Initiating General Plan Amendment from Low Density Residential to General Commercial and Zone Change from R-1 Single Family Dwelling to C-1 Limited Commercial Zone for 240 Langford Ave; and

2. Provide Direction to Staff for Cost Recovery for processing of and adoption.

BACKGROUND:
The City Council on September 18, 2018 conducted the public hearing for the appeal for Planning Commission action of April 19, 2018 conditionally approving an expansion of a non-conforming use, Neighborhood Market, by permitting storage addition. The applicant had requested the establishment of a Take-Out Kitchen, however the Planning Commission disapproved the request.

The City Council after the public hearing, directed Staff to prepare a resolution for the initiation of a general plan amendment and zone change for consideration. The City Council also requested estimated cost for the processing of a general plan and zone change for the property.

DISCUSSION:

Staff has prepared the attached resolution for the City Council’s consideration. Should the City Council wish to proceed with the adoption of the general plan amendment and zone change, Staff has recommended that the General Plan Land Use Designation be amended from Low-Density Residential to General Commercial. Staff is also believes that should the City Council wish to proceed with a zone change from R-1 Single Family Residential, the most appropriate zone
district would be C-1 Restricted Commercial, see attached Chapter 17.24 Restricted Commercial. The city has one general plan land use designation for commercial - General Commercial. Within that general plan land use category four (4) commercial zone districts may be established: C-O Professional Office; C-1 Restricted Commercial; C-2 Commercial; and NC - Neighborhood Commercial.

Should the City Council wish to initiate a zone change for the property, Staff believes that the C-1 Restricted Commercial Zone. The C-1 Zone also permits apartment hotels, automobile service stations, etc.

The General Plan Amendment and Rezoning to Commercial creates a Commercial zone district in a residential neighborhood - and could be considered "spot zoning" under certain circumstances.

**COST ESTIMATES FOR PROCESSING GENERAL PLAN AMENDMENT AND ZONE CHANGE - FEES WOULD BE CALCULATED MORE ACCURATELY UPON SUBMISSION OF AN APPLICATION.**

Most of the fees charged are based on the Deposit System and others are based on a Flat Fee. As Staff works on the project their hourly billing rate is charged to the deposit. Should the deposit be depleted, all work is stopped until a new deposit is made.

Below is an estimated of Deposits and Flat Fees Associated with processing a General Plan Amendment and Zone Change. Also in addition the fees established by the City, A General Plan Amendment and Zone Change require special studies to be completed by the applicant, where applicable. These studies include a Traffic Analysis, Air Quality Analysis, Cultural and Historical Review, Will Serve Letter from Water Agency, etc.

A FINDING PER CEQA GUIDELINES SECTION 15061(B)(3)

WHEREAS, applicant Maher Ahmed Saleh (“Applicant”) is seeking approval of a
Conditional Use Permit (CUP) and a Site Development Plan (SDP) to allow for the expansion of
a non-conforming neighborhood grocery store (commercial use) located in a residential zone; and

WHEREAS, the subject property is located at the northeast corner of Langford Avenue
and Stockton Avenue and is zoned R-1-Single Family Dwelling (“property” or “site”); and

WHEREAS, the property is currently developed with a 24’-6” by 50’-0,” 1,274 square-
foot neighborhood market, a 1,346-square foot residence and a 700-square foot detached garage,
all of which were built prior to the City’s incorporation on December 21, 1960; and

WHEREAS, pursuant to Section 17.08.020 (R-1 Zone) of the Municipal Code, a
commercial use is not an allowed use within the R-1 Zone; and

WHEREAS, the neighborhood grocery store on the property is a legal-nonconforming
use as to those uses which were in lawful existence when the property was rezoned to the R-1
Zone; and

WHEREAS, as a rule, a non-conforming use may be maintained and continued provided
there is no increase or enlargement of the area, space, or volume occupied or devoted to the non-
conforming use, and there is no intensification of the land use; and

WHEREAS, in 2015 the Applicant applied for a 490-square foot (20’-0” by 24.5’)
addition to the existing store, which the Applicant represented would be used as a storage area; and

WHEREAS, the application for the 490-square foot addition was approved for storage
only; an open patio area and serving windows were neither sought by Applicant or approved by
City staff; and
WHEREAS, a building permit was issued for construction, but said issuance was an oversight by City staff and the permit was issued erroneously; and

WHEREAS, notwithstanding, the Applicant failed to exercise his rights under the permit, failed to pay fees required by the permit, and failed to timely construct the improvements prior to the expiration of the building permit; and

WHEREAS, approximately two years after the building permit was erroneously issued and after the building permit had long since expired by its own terms, Applicant partially constructed a 490-square foot addition as a take out kitchen and a 800-square foot open patio (“Expansion”) area to the existing neighborhood market in 2017; and

WHEREAS, construction on the Expansion was done without a building permit or any other approval by the City, and was not inspected by the City for compliance with the building code, etc., as required by law for construction; and

WHEREAS, in 2017 the applicant was cited for constructing the Expansion without proper approval or building permits; and

WHEREAS, Applicant subsequently sought approval of a Conditional Use Permit (CUP) and a Site Development Plan (SDP) to allow for the Expansion; and

WHEREAS, after notice as required by law, the Planning Commission considered the matter at a public hearing on April 19, 2018, and has received testimony and other evidence at the meeting; and

WHEREAS, after considering all evidence in the record, the Planning Commission adopted a CEQA finding under CEQA Guidelines section 15061(b)(3) and approved the CUP with conditions; and

WHEREAS, these conditions limited the Expansion to just use as a storage unit; and

WHEREAS, Applicant timely appealed the determination of the Planning Commission to the City Council; and

WHEREAS, the City provided notice of the Council hearing of the appeal; and

WHEREAS, the City Council received and reviewed the appeals of the Planning Commission’s decision granting the CUP at a duly noticed meeting on September 18, 2018; and

WHEREAS, a public hearing was held, and the public was provided an opportunity to comment on the appeals to the Planning Commission decision; and
WHEREAS, and public testimony and evidence, both written and oral, was considered by the City Council; and

WHEREAS, unlike legislative acts (General Plan amendments, rezones and ordinances, etc.), a conditional use permit is an entitlement that is reviewed as a quasi-adjudicatory proceeding; and

WHEREAS, the Municipal Code provides that “The decision appealed from shall be affirmed unless reversed by a vote of not less than a majority of all members of the city council;” and

WHEREAS, the City Council has more limited discretion when reviewing appeals involving a conditional use permit; and

WHEREAS, after considering all public testimony and receiving information provided to date, the City Council closed public testimony and deliberated on the appeals based on the evidence in the administrative record; and

WHEREAS, after consideration of said public testimony and information in the record, the City Council determined that there was substantial evidence in the record that the CUP complied with the City’s Municipal Code as conditioned for storage use, but could not be issued as requested by the Applicant to allow for use as a take out and patio; and

WHEREAS, the City Council did not find any substantial evidence in the record that the CUP failed to comply with specific requirements of the City’s Municipal Code as conditioned as a storage unit, or which would require overturning the Planning Commission decision and denial of the CUP; and

WHEREAS, the City Council also determined that there was substantial evidence in the record to support a determination that the project was subject to a finding under section 15061(b)(3) of the CEQA Guidelines; and

WHEREAS, the City Council continued the item to the next regular meeting of October 2, 2018, with direction to staff to return with a resolution consistent with Council’s determination for final approval; and

WHEREAS, the City Council also directed staff to return with a resolution for discussion which would initiate a plan amendment and rezone for the property that would allow the property to be used for take out if the appropriate CUP, etc., was subsequently approved; and

WHEREAS, the City Council now desires to deny the appeals and uphold the decision of the Planning Commission to approve the CUP with conditions; and
WHEREAS, nothing in this Resolution preclude the Applicant from immediately seeking to amend the approved CUP or seeking a new CUP for take out, as may be warranted.

NOW, THEREFORE, BE IT RESOLVED, by the City Council of the City of Arvin as follows:

Section 1. Recitals. The City Council hereby specifically finds that all of the facts set forth in the recitals above of this Resolution are true and correct and incorporated herein.

Section 2. Administrative Record. The proceedings and all evidence introduced before the Planning Commission at the public hearing, including staff reports, attachments, and presentations, are hereby incorporated into the record of this proceeding. These documents, along with any staff reports, documents, testimony or evidence submitted to the City Council, including all documents specified under applicable State law including Public Resources Code section 21167.6(e), shall comprise the entire record of proceedings for any claims under CEQA.

Section 3. CEQA. The City Council finds and determines that there is substantial evidence in the administrative record to support the Planning Commission determination that the project falls within CEQA Guidelines section 15061(b)(3), and the City Council further finds and determines this project falls within CEQA Guidelines section 15061(b)(3) as the project does not have the potential for causing a significant effect on the environment. The extension has already been built, including the portion for storage. Removal of the take out windows and the patio will not create a reasonable possibility of a significant, adverse environmental impact and is instead likely to reduce vehicular and pedestrian traffic, noise, and allow for landscaping to be installed.

Section 4. Findings Regarding CUP. The City Council finds and determines that there is substantial evidence in the administrative record to support the Planning Commission determination that the CUP, as conditioned, is consistent with the requirements of the Municipal Code requirements applicable to the CUP. Additionally, the City Council also independently finds and determines that there is substantial evidence in the entire administrative record that the CUP, as conditioned, is consistent with the requirements of the Municipal Code requirements applicable to the CUP. The City Council further approves, accepts as its own, incorporates as if set forth in full herein, and makes each and every one of the following findings:

a. The use proposed by Conditional Use Permit is consistent with the City of Arvin’s General Plan and zoned district designation.

b. The use proposed by Conditional Use Permit is consistent with the City of Arvin’s Municipal Code.

c. The use proposed is not detrimental to the health, safety, peace, morals, comfort or general welfare of persons residing or working in the neighborhood.

d. The CUP is in compliance with all applicable laws and ordinances.
These findings are appropriate for all the items in the record, including:

The existing neighborhood grocery store on the property is considered a legal non-conforming use and is subject to the rules and regulations of Section 17.52.010 of the Municipal Code which address non-conforming land uses. Specifically, a non-conforming use may be maintained and continued; provided there is no physical change other than maintenance and repair. Additional uses may be added per Arvin Municipal Code 17.08.020 (J) additional uses may be permitted according to the provisions of Chapter 17.56, conditional use permits.

The addition of 490 square foot room for storage to an existing 1200 square foot neighborhood grocery store is concluded to be a nonintrusive use and the approval of a Conditional Use Permit to permit said addition has met the provisions of Chapter 17.56 conditional use permits.

Chapter 17.05 Uses Permitted Subject to Administrative Approval and Chapter 17.60 Site Development Permits require approval of new construction to insure compliance with City Standards. The proposed additions, additional storage area and open patio area, meet the requirements Section 17.60.040 A and B in that the additions shall meet city laws and ordinances; comply with City Policies, compliance with planning and engineering standards.

The proposed use or building will not be detrimental to the health, safety, peace, morals, comfort or general welfare of persons residing or working the neighborhood.

The proposed 490-square foot storage addition storage space and modified open patio area would not provide an intensification of land use as well as the open patio area. For instance, additional storage space would not result in an increase of the commercial sales area, and it would not generate additional parking spaces. The additional storage area would not generate additional customer demand. The approval of additional floor area as storage space, as opposed to a take-out kitchen, would not in of itself create an intensification of land use. For instance, additional storage area would not result in an increase of the commercial sales area, and it would not require any more parking spaces than what would otherwise already be required.

The addition when compliant with the conditions of approval the additional floor area for storage only would not create any new nonconforming setbacks.

Although the property is not being used consistent with the R-1 zoning, the proposed use, as conditioned, is deemed essential or desirable to the public convenience or welfare, and is in harmony with the various elements or objectives of the comprehensive general plan.

Section 5. Findings Regarding Site Development Permit. The City Council finds and determines that there is substantial evidence in the administrative record to support the Planning Commission determination that the Site Development Permit (SDP), is consistent with the requirements of the Municipal Code requirements applicable to the SDP. Additionally, the City
Council also independently finds and determines that there is substantial evidence in the entire administrative record that the SDP is consistent with the requirements of the Municipal Code requirements applicable to the SDP. The City Council further approves, accepts as its own, incorporates as if set forth in full herein, and makes each and every one of the following findings:

a. The SDP is in compliance with all applicable laws and ordinances;

b. The SDP is in compliance with all applicable city policies duly adopted by a majority vote of the planning commission or the city council;

c. The SDP is in conformance with the latest accepted planning and engineering standards covering the following area: site layout, building appearance and structural design, landscaping, water and sewer service and other utilities, surface drainage and erosion control, fire protection, access, traffic circulation and parking; and

d. Under the circumstances of this particular case, the proposed use or buildings will not be detrimental to the health, safety, peace, morals, comfort or general welfare of persons residing or working in the neighborhood.

Section 6. Use as Take Out and Patio Inconsistent with Municipal Code. The City Council affirms the Planning Commission finding that Applicant's request to allow a 490-square foot addition for use as a take-out kitchen and the patio is denied as an impermissible expansion of a non-conforming use, is incompatible with the surrounding uses, and is prohibited by Arvin Municipal Code section 17.52.010(a) and (b). The City Council also independently finds Applicant's request to allow a 490-square foot addition for use as a take-out kitchen and the patio is an impermissible expansion of a non-conforming use, is incompatible with the surrounding uses, and is prohibited by Arvin Municipal Code section 17.52.010(a) and (b).

Section 7. Appeal Denied. For all the foregoing reasons, and each of them, the City Council finds that there was no substantial evidence submitted into the administrative record that would warrant denial of the CUP, including the CEQA for the project. As such, the appeal is denied in its entirety.

Section 8. Use Permit Approved. For all the foregoing reasons, and each of them, the City Council upholds the Planning Commission approval of Conditional Use Permit and Site Development Plan 2018-240LA, as conditioned. Further, for all of the foregoing reasons and based upon the substantial evidence in the record before it, and given that there is no substantial evidence in the administrative record that would warrant denial. The City Council also independently approves Conditional Use Permit and Site Development Plan 2018-240LA, subject to the same conditions as approved by the Planning Commission:
a. At the street side yard setback, the proposed 490 square foot addition, including the open patio, may not encroach any closer to the property line than 10'-0” as is required by the city code;

b. All walk-up service windows and outside countertops shall be removed prior to approval of Conditional Use Permit and Site Development Plan (SDP) 2018-240LA taking effect. The property shall not be used for take out dining or a take out kitchen.

c. That the area shall be used for storage only in relationship to the existing store.

d. All property owner(s) and business owners(s) shall submit affidavits of acceptance of the conditions of approval for this project prior to approval of Conditional Use Permit and Site Development Plan (SDP) 2018-240LA taking effect.

e. Approval of the Site Development Plan shall be contingent upon approval of the Conditional Use Permit taking effect.

f. Any business conducted on the premises shall maintain a business license and comply with the Arvin Municipal Code at all times.

Section 9. Future Entitlement(s). Nothing in this Resolution preclude the Applicant from immediately seeking other entitlements for the property, including a new or amended CUP for take out, as may be warranted and consist with the City’s Municipal Code, policies and procedures.

Section 10. Effectiveness. This Resolution shall become effective immediately.
I HEREBY CERTIFY that the foregoing resolution was passed and adopted by the City Council of the City of Arvin at a Regular Meeting thereof held on the 2nd day of October, 2018 by the following vote:
