#### **Arvin City Council Public Hearing Information**

Date: March 12, 2019  
Time: 6:00 PM or as the Agenda permits  
Place: City of Arvin Council Chambers  
200 Campus Drive, Arvin, CA 93203

The purpose of the hearing is to consider recommendations to the City Council regarding a proposed ordinance amending Arvin Municipal Code Chapter 17.08 to establish standards and development criteria where permitting neighborhood commercial serving uses within the single-family residential neighborhoods. Among others, the proposed ordinance would establish small scale mixed uses that are compatible to the neighborhood; be restricted to corner lots; must utilize existing City service capacity (i.e. sewer, water, roadway, fire); establish separation of neighborhood commercial uses by 1000 feet; and encourage walking and biking from nearby existing residential uses. The updates to the ordinance will be city-wide, but as a practical matter will only apply to areas that are zoned single-family residential.

Pursuant to the California Environmental Quality Act (CEQA) Guidelines, Section 15061(b)(3) there is no possibility that this project may have a significant, adverse, effect on the environment because i) the Ordinance establishes the opportunity for neighborhood serving commercial uses within residential neighborhoods; and ii) the Ordinance will not have a significant effect or physical change to the environment, because it establishes standards and criteria and no physical projects are contemplated and are anticipated to be within the built environment.

Additional information on the proposed project, including a copy of the proposed environmental findings as a hard copy or in electronic format, may be obtained from the City of Arvin, City Hall, 200 Campus Drive, Arvin, California, 93203, or the City's web site at [www.arvin.org](http://www.arvin.org).
